2022

# OPPORTUNITIES IN BUSINESS JETS

**23 March 2022**

*Corinthia Hotel – St Georges Bay St Julian's, Malta*

The Opportunities in Business Jets annual conference brings together thought leaders from across the globe for a programme of panels, roundtables and keynote presentations; complimented by refreshment breaks, a networking lunch and cocktail party.

Delegates will discuss a range of subject matters including:

- Owners and their proxies: What are your clients and their closest advisors saying?
- Technology: What are the challenges and how is the business aviation industry reacting to these?
  - Maintenance programmes: Mitigating risks in a challenging environment
  - Buying & Financing your plane: Tips from the experts
  - Can't get the staff?: Tackling the talent shortage
- Business aircraft interiors: Selecting the right interior from the get-go
- The environment: What is the sustainable future for business aviation?

# MALTA MARITIME SUMMIT

3 - 7 October 2022

*St. Lucia Street, Valletta - Malta*

The flagship maritime event is returning for 2022 and will host a range of prominent and influential maritime stakeholders as they debate and discuss the concerns and challenges facing the maritime sector.

The event is set to cleave to its successful model but will also see the launch of Malta's maritime industry awards, which intend to be held every two years during the course of the summit.

The summit will yet again drop anchor in Malta's capital city of Valletta.

# MALTA AVIATION CONFERENCE AND EXPO

5 October 2022

*The Westin Dragonara Resort - Malta*

The Malta Aviation Conference and Expo (MACE) has become recognised as one of the top European events in the aviation calendar.

Spread over three days in October, MACE will once again host a myriad of industry experts who will be able to participate in live panel debates, meet with suppliers and network with fellow aviation professionals.

The event focuses on the sustainability of the aviation industry and discusses the latest trends and innovations in the sector, and challenges the industry to 'Fly Higher Together' by supporting air mobility through innovation and collaboration.

# SIGMA EUROPE MALTA

**14 - 18 November 2022**

*Malta Fairs and Conventions Centre - Malta*

With Europe being one of the premier economic regions, Sigma Europe will unite market titans amongst the affiliates, operators and suppliers of the Gaming industry, offering opportunities galore to both investors and entrepreneurs seeking to shape the future of this multi-billion dollar industry.

The world's largest conference of its kind, almost 50% of its attendees are C-level or decision-makers and include representatives from operators, suppliers, affiliates, start-ups, investors and more.

Returning to its roots in November, the SiGMA Group is planning to draw industry leaders from across the globe to the sunny isles of the Maltese archipelago for a week of networking, workshops and brainstorming, receptions and parties.

# AI & BLOCKCHAIN SUMMIT

14 - 18 November 2022

*Malta Fairs and Conventions Centre - Malta*

With Malta being amongst the first states to regulate cryptocurrencies and DLT, it has always strived to be amongst the first to innovate when it comes to emerging technology.

With the new regulations being premiered first and foremost at AIBC Europe, Malta aims to be a pillar in the technological development of the region by uniting tech-leaders, regulators, investors and entrepreneurs from across the world to discuss, share ideas, make partnerships and build the foundation for the industry of tomorrow.

AIBC Europe offers delegates the ideal opportunity to draw on the experiences and insights of experts, thought leaders and industry pioneers from across the globe over 3 days of panel discussions, keynote speeches, workshops, fireside chats and casual networking events.
