HELICOPTER INVESTOR

06th - 07th April 2022

The Landmark, - London, UK

The premier industry event Helicopter Investor is back for its 12th consecutive year, but this year it returns as a hybrid event!

Helicopter Investor provides attendees the opportunity to broaden their portfolio of contacts and make new connections within the industry and focuses on the financial, transactional and operational side of the industry.

Helicopter operators who wish to attend can attend on a complimentary basis.

Tickets include access to the two-day conference, cocktail receptions, networking breakfasts, three-course lunches and refreshments throughout the event, plus access to the exclusive event app.

ANNUAL MEDITERRANEAN BUSINESS AVIATION

28th April 2022

Nana Golden Beach Hotel - Crete, Greece

The 11th Annual Mediterranean Business Aviation offers a unique opportunity to debate the future of aviation. It provides a platform for manufacturers and operators to learn of the latest industry infrastructural developments and to discuss different business models within the marketplace.

The event will enable attendees to explore all aspects affecting the future of the aviation industry.

Agenda highlights include a comprehensive overview of the industry, trading business aircraft, aircraft management, maintenance, operations and the growth and challenges within the Mediterranean region.

ELITE LONDON

13th - 14th May 2022

Wycombe Air Park - High Wycombe, UK

The Elite London offers its visitors a wealth of experiences through a combined world of luxury of over 150 luxury lifestyle brands. The event will display some of the very best private jets, turboprop aircraft, helicopters, as well as other luxury brands of supercars, powerboats and yachts – all in one location.

The Private Flyer Exhibit will have aircraft manufacturers, operators and service providers for some of the finest names in the luxury aviation sector. Attendees will be able to compare different ranges of aircraft, arrange demo flights and explore the new and pre-owned aircraft enclosure where private sellers will be exhibiting corporate and private aircraft for sale. There will also be companies on hand to help you explore your options around chartering and the aspects of full and shared ownership.

Other features include its Supercar Showcase, British Golf Course, Marine Showcase, Luxury Brand Show, Shooting and Country Show and Home and Property.

EBACE

23th - 25th May 2022

Palexpo - Geneva, Switzerland

The European Business Aviation Conference and Exhibition is a flagship event for the private and business aviation industry within Europe.

The annual meeting will take place at the magnificent Palexpo in Geneva and is being hosted by the European Business Aviation Association (EBAA) and the National Business Aviation Association (NBAA); two leading associations in the industry.

Bringing together business leaders, government officials, manufacturers, flight department personnel, avionics firms, fractional providers and charter lease companies, this future-forward event will highlight new aviation technologies, ultra-modern and advanced aircraft, state-of-the-art avionics and some of the top manufacturers.

Find out how some technologies might affect your business, how some of the latest innovations could make you more sustainable, and network with some of the industry's best.

GLOBAL AEROSPACE SUMMIT

24th - 26th May 2022

Emirates Palace - Abu Dhabi, UAE

The Global Aerospace Summit is an exclusive event attended by 1000 global aerospace leaders and decision makers.

The 2022 edition, hosted by Mubadala in Abu Dhabi, provides an in-person platform for delegates to discuss essential strategic measures and the industry's growth, as well as to facilitate global trade success across the international market.

The Summit will address evolving innovations, the impact of digital technologies, sustainability in the sector and the industry's road to recovery following the global pandemic via an extensive strategic and problem-solving programme.

Join the Middle East's Leading Forum for Business Aviation.

FRANCE AIR EXPO

09th - 11th June 2022

Lyon Bron Airport – Bron, France

France Air Expo is a general aviation event that is set to bring together industry leaders and professionals to France's second largest airport Lyon-Bron for this year's event which is set to be bigger and better than before.

This year's event features 'a green area' which will focus and promote green aviation including electric, hydrogen, hybrid propulsion and VTOL concepts, demonstrating the industry's continued commitment to a carbon neutral future.

As one of the most important and influential events in Europe, there are many reasons the show attracts a diverse delegation of pilots, owners, flying clubs, professionals and enthusiasts of the industry. If you want to meet prospects, increase sales, improve customer relationships, present new products, develop partnerships, develop the image and reputation of your business or learn about the market, this event should be in your diary.

10TH EUROPEAN CORPORATE AVIATION SUMMIT

17th June 2022

Venue TBC - Istanbul, Turkey

The 10th European Corporate Aviation Summit will be held in Istanbul, Turkey this June and will provide valuable information to business aircraft operators, manufacturers, consultants, bankers, airport executives, leasing and financing companies, insurance companies and any industry professionals that have an interest in the growth and future of business aviation.

The event will discuss the latest developments, new business opportunities and challenges within the business aviation community, and will provide the perfect platform for manufacturers and operators to expand their knowledge of the European market and debate the future of Business Aviation.

ISLE OF MAN AVIATION CONFERENCE

22nd June 2022

Villa Marina - Douglas, Isle of Man

The Isle of Man Aviation Conference has built a strong reputation over the years and has become an increasingly popular event to attend among industry professionals.

Supported by the Isle of Man Aircraft Registry, the conference attracts delegates from around the globe that work in aviation regulation, manufacturing, operations and ownership and management sectors.

There will be a variety of informal networking opportunities for delegates before and after the event to enable delegates to connect with fellow professionals from within the industry.

This year's conference will focus on the issues and current challenges the industry is facing and future growth opportunities.

AVIATION WORLD CONGRESS

23rd - 24th June 2022

Hallam Conference Centre - London, UK

The 2022 edition of the Aviation World Congress will take place at the Hallam Conference Centre in London.

The agenda for this year's conference comprises a range of topics. It will include the aviation market, manufacturing, air traffic management, economics of air traffic, financial investments in the industry, aviation security with risk assessment, AI, challenges for commercial operators and airport security, emerging business models, trends and technologies, exploring disruptions and innovations, sustainability and understanding how governments can help rebuild the aviation industry.

The event will welcome over 200 delegates and 25 keynote speakers and panellists. There will be three online networking break opportunities throughout the event, which aim to provide the chance for delegates to network with fellow industry professionals.

CORPORATE JET INVESTOR (ASIA)

29th - 30th June 2022

Grand Hyatt - Singapore

Corporate Jet Investor Asia is set to continue building on its success as it returns this year to be held at the prestigious Grand Hyatt Hotel in Singapore.

Welcoming a range of delegates that include financiers, lawyers, operators, brokers, insurers, manufacturers and appraisers in the aviation industry, the two-day event will be packed with engaging and entertaining panels, interviews, presentations and debates.

The event is perfect for those interested and involved in supporting the growth of Asia's fleet, providing them with access to the latest insights and developments within the industry.

The event will also provide the ideal opportunity for industry professionals to network with like-minded people as they share their experience and understanding of the region.

FARNBOROUGH INTERNATIONAL AIR SHOW

18th - 22nd July 2022

*Farnborough International Exhibition and Conference
Centre - Farnborough, UK*

The Farnborough International Air Show will once again be held at Farnborough International Exhibition and Conference Centre.

The Show is a global platform and ultimate networking hub for all professionals in the industry. Following the challenges of the past two years, the show will focus on sustainability, innovation, workforce, future flight, defence and space.

The Research and Development Zone will be at the heart of the show and will provide a unique opportunity for research and technology providers to network and display their latest technological advances.

1500+ exhibitors, 156 civil and military delegations, and 80,000 visitors from around 96 countries are expected to attend this year's event, providing plenty of opportunities for networking and developing new partnerships with key organisations and influencers from across the industry.

LABACE

9th - 11th August 2022

Congonhas - São Paulo Airport - São Paulo, Brazil

The Latin American Business Aviation Conference and Exhibition (LABACE) is the second largest event of its kind and attracts some of the world's biggest names in aircraft manufacturing to the capital of Brazil.

LABACE 2022 will not only mark the 17th edition but will also be hailing the resumption of the aviation sector and primarily the opportunity to network in-person once again.

Spanning over three days, the show expects to greet over 150,000 visitors who will have the opportunity to meet and speak with 1,980 exhibitors and see an astonishing display of 700 aircraft.

Do not miss the biggest business aviation event in Latin America.

CORPORATE JET INVESTOR (MIDDLE EAST)

September 2022

Venue TBC - Dubai, UAE

The 2022 edition of Corporate Jet Investor Middle East is set to take place in the world-class thriving emirate of Dubai.

With the aviation industry in the Middle East and Africa continually growing, this event provides the perfect opportunity to bring together aviation enthusiasts and industry professionals interested or involved in the growth of the Middle Eastern and African fleet.

The event will discuss the opportunities, threats and latest strategies within the industry through a number of engaging and entertaining panel discussions with a carefully selected roster of speakers. It will also explore possible new sources of revenue within the aviation marketplace and host a range of informative interviews and presentations on some of the latest insights and developments in the region.

EAST EUROPEAN AVIATION

01st September 2022

Venue TBC - Warsaw, Poland

The East European Business Aviation (EEBA) conference will explore the latest developments, opportunities and challenges being experienced by operators and manufacturers within the business aviation sector of Eastern Europe.

Visitors to the event will have the opportunity to network with leading industry experts, debate recent developments, discuss business models, learn about regional infrastructure developments and most importantly enhance their knowledge of the current regional market.

There will be representatives from a variety of companies including aircraft operators, manufacturers, FBO operators, airport infrastructure, financiers, insurers, aircraft registration and safety and security experts.

AIR CHARTER EXPO

13th September 2022

London Biggin Hill Airport – Westerham, UK

The 2022 Air Charter Expo (ACE) is a necessary event for all involved in the air charter industry.

This year marks the 6th annual edition of the expo, which will bring together aircraft owners, charter operators, charter brokers and industry professionals for a day full of networking at London's Biggin Hill Airport.

The event is hosted and organised by The Air Charter Association and comes complete with an extensive static aircraft display of both aircraft and helicopters, an exhibit hall featuring leading companies in business aviation, conferences and seminars.

MALTA AVIATION & CONFERENCE EXPO (MACE)

05th - 06th October 2022

Venue TBC - Malta

Spread over 2 days, the 2022 edition of the Malta Aviation Conference and Expo will host a myriad of industry experts in the lovely island of Malta, to discuss rebooting the industry, tackling the industry's carbon footprint and economic sustainability, current challenges, new technologies and innovations, and evolving markets.

Participants will have the opportunity to participate in live panel debates with a variety of local and international speakers from the industry, meet suppliers and discuss important themes with subject matter experts.

TAX, REGULATORY & RISK MANAGEMENT CONFERENCE

16th - 17th October 2022

*Orange County Convention Center, Orlando
Executive Airport - Florida, USA*

The National Business Aviation Association (NBAA) is hosting a Tax, Regulatory and Risk Management Conference in the Orange County Convention Centre, Orlando Florida.

This event aims to attract aviation lawyers, financial advisors, CPA's, CFO's and flight operators to network and learn about tax, regulatory and risk management compliance strategies from some of the industry's leading experts.

Save the date and stay tuned.
