SUMMARY OF SERVICES

Sentient International is a privately owned group of independent, modern corporate and trust service providers, who between them have a solid track record of over 35 years.

Providing bespoke international business solutions to a broad spectrum of international clients, not only do we offer a wide range of services that are efficient, flexible and cost effective, our team of professionals offer complete in-house expertise as well as experience within a number of niche industry sectors.

We are committed to providing the highest level of customer care and ensure that the services we provide are delivered professionally, reliably and with complete integrity.

We are proud to be more than just a corporate and trust service provider.

AVIATION

We provide corporate structures for the effective ownership and management of aircraft, complimented by the necessary administrative and operational support so that our clients remain free to fly, rest assured their asset is in safe hands.

CORPORATE

We work with clients to provide them with a holistic view of their needs. We understand that implementation is key to the success of any form of tax planning and to this end work closely with our clients and their advisors to provide structures that are fit for purpose and yield success.

OUR SENSE. YOUR FUTURE.

FINTECH

We work with clients and their advisors to establish bespoke structures that take into account applicable regulatory regimes and jurisdictional practices. Whether starting a new business or developing a pre-existing entity in the Fintech arena, we ensure that our clients meet their legal obligations whilst benefitting from and optimising relevant corporate structuring, tax and IP opportunities.

NATURAL RESOURCES

We assist clients involved in the mining, oil, gas and renewable energy industries in the corporate structuring of their business, through the development, establishment and ongoing management of tax effective corporate structures that meet their objectives and yield success, whilst navigating the complex market conditions and regulatory requirements that they have to contend with.

PROPERTY

We have vast experience in implementing a variety of property solutions, each designed to meet the individual objectives of our clients. We can offer efficient and cost-effective arrangements for all types of property acquisition through an assortment of vehicle types.

TRUSTS*

We are able to establish trusts in a number of key global jurisdictions. With in-depth knowledge and practical experience, our professional trustees are highly proficient in delivering effective solutions to our clients, ensuring that they protect what they care about in the way that they desire.

**Trust Services available in the Isle of Man.*

YACHTING

We assist owners and their representatives in understanding the diverse requirements associated with the ownership, registration and management of a range of vessels, whether operated privately or commercially. Tailored to each client's individual requirements, our services leave them free to enjoy their asset knowing that its safe custody and effective management remains our priority.
