A Modern Framework for Modern Business

The 2006 Act introduced a streamlined corporate model designed to simplify company law and make the Isle of Man more competitive internationally. It boasts:

- fast and efficient incorporation
- minimal statutory requirements
- flexibility in governance and management
- enhanced privacy for shareholders and directors

OUR SENSE. YOUR FUTURE.

Why Businesses Choose the 2006 Act

- No authorised share capital, allowing simpler capital structuring.
- Single director permitted. No residency requirement
- Simplified accounting obligations.
- Ability to migrate in/out of the Isle of Man.
- Recognised globally. Accepted by banks, regulators, and investors worldwide.

OUR SENSE. YOUR FUTURE.

Built for Flexibility

2006 Act companies are widely used for:

- holding assets and investments.
- group structuring and treasury functions.
- ownership of property, yachts and aircraft.
- joint ventures and start-ups.
- SPVs for international transactions.

A Stable, Trusted Jurisdiction

The Isle of Man offers a unique combination of:

- political and economic stability.
- highly regarded regulatory framework.
- tax neutrality and compliance with global standards.
- reputation for professional expertise and confidentiality.

OUR SENSE. YOUR FUTURE.

Competitive with the Best

Comparable to structures in the BVI, Guernsey, and Cayman, but with:

- stronger regulatory oversight.
- a reputation for quality and transparency.
- continued access to major financial markets.
